## The Star-Spangled Banner

Oh, say can you see by the dawn's early light  
What so proudly we hailed at the twilight's last gleaming?  
Whose broad stripes and bright stars thro' the perilous fight,  
O'er the ramparts we watched were so gallantly streaming?  
And the rockets' red glare, the bombs bursting in air  
Gave proof through the night that our flag was still there.  
O say, does that star-spangled banner yet wave  
O'er the land of the free and the home of the brave?

## God Bless America.

God Bless America, Land that I love. Stand beside her And  
Guide her, through the night with a light from above. From the  
mountains, to the prairie, To the oceans white with foam. God  
bless America, my home sweet home. God bless America, my  
home sweet home.
