GUIDANCE COUNSELORS

Left to right: Miss Kirk, Mr. Loughman

Counseling is defined by the American Guidance Service as the process in which an experienced and trained person assists a second person to understand himself and his opportunities to make appro-

priate adjustments and decisions in light of this understanding, to accept the responsibility for this choice, and to follow a course of action in harmony with his choice.

Translated into everyday terms, this means that Miss Kirk and Mr. Loughman administer, score, and interpret the intelligence, aptitude, and achievement testing programs, supervise the scheduling each year, do the sectioning of classes, counsel college bound seniors, give vocational information, counsel students who have failing grades, schedule new students, try to help with personal problems, and even register for the draft the boys who have reached the age of 18.

STUDENT COUNCIL

Clockwise: Kathleen Brown, Lana Ringle, Joyce Flon, Kay Wallace, Jane Hughey, Peggy McDowell, Fred Shingledecker, John Haight, James Turk, Richard Douglass, Jon Baier, John Thomassy, William Carter, William Brown, David McCarty.

The Student Council is an organization of students, elected by students, to serve as official representatives of the student body in all matters concerning the students themselves.

Council members are elected from each home-room in the tenth, eleventh, and twelfth grades. John Haight, president of Student Council, is also president of the student body.

The Council, which is a member of the Pennsylvania Association of Student Councils and the National Association of Student Councils, has as one of its chief functions the allotment of dances and money raising projects to the various organizations of the school.

The council is working toward the publication of a student handbook as one of its foremost projects.

Miss Kirk and Mr. Loughman, Fort Cherry Guidance Counselors, are Student Council sponsors.

“Just the facts,” and a little bit more can be found in *The Pinnacle*, the Fort Cherry High newspaper. It is the aim of the staff to present the ever-changing view of events at F.C. in news, humor, and pictures.

The eighteen girls who comprise the 1960-61 *Pinnacle* staff are responsible for publishing the paper, a job which often means pushing other activities into the background. But working together is an experience which each member will cherish as a vital part of her high school activity.

By working very hard, the staff members were able to present a new format this year. The 1960 *Pinnacle* was produced by the letterpress method and was printed on white, glossy paper. This little extra was made possible by the generosity of advertisers and subscribers alike. In addition, a record hop was sponsored in February.

NATIONAL HONOR SOCIETY

Row 1: Ann Lamb, La Verne Lamb, Carol Richards, Judy Williamson, Molly Brown, Joyce Altieri, Peggy McDowell. Row 2: Barbara Allison, Marjorie Beaumariage, Marilyn Hinds, Marion Thomassy, Lois Spiers, Jeanne Kutchman, Willard White, Fayth Fereday. Row 3: Edwin Ringle, Terry Holder, Joseph Baier, Martin Schottenheimer, Robert Glass, Thomas Kinser, William Carter.

The National Honor Society and its activities are an essential function in the administration of a modern secondary school.

The National Honor Society has set the following high professional aims and goals for secondary school members:

1. An enthusiasm for good scholarship throughout the school.
2. An encouragement of a desire for students to render service to the school and the community.
3. A plan for self-evaluation of the student of the potential leadership qualities within him.
4. A stimulus to the student to observe and practice those acts of others that develop strength of character.
5. An encouragement to the student to continue his learning and education.

Membership in the National Honor Society is

based on four main areas: scholarship, leadership, service, and character. All students having a B Average or better are automatically eligible students for membership. This list of eligible students is then presented to the faculty for consideration of leadership, service, and character. Such factors as initiative, executive ability, work as members in clubs or a class, personal service for teachers, dependability, industry, honesty, and personality are all considered when the faculty rates the eligibility list on the three traits mentioned above. Any student who rates low on these areas is denied membership in the National Honor Society. Sophomores are probationary members and become active members in their junior year if the high standards indicated during their probationary period are maintained.

The National Honor Society is sponsored by Miss Kirk and Mr. Loughman, Guidance Counselors.

LIBRARIANS

Row 1: Marjorie Beaumariage, Peggy Schafer, Dorothy Harris, Sandra Bridges, Patricia Smagner, Darlene Benard.
Row 2: Ruth Ann Gardiner, Marjorie Brown, Ellen Steele, Patricia Lukanski.

The Library Club is a service club, rather than a social club. It is the duty of its members to assist in organizing library materials, and to help make them available to their fellow students. The work of the club is carried on chiefly in the day-by-day

assistance given by the members, rather than during the club periods. The members are to be highly commended for their part in arousing interest in good reading, and in promoting the cause of the school library.

Row 1: Carol Descutner, Linda Walker, Sondra Lederstein, Lovie Mosley, Marilyn Hinds, Marjorie Beaumariage, Greta Lytle, Sharol Bennett. Row 2: Katherine Thomassy, Delilah Tornabene, Judith Mulligan, Daniel Cowden, Willard White, Vincent Phillips, Anne Swartz, Marilou Johnston, Elizabeth Meade.

FUTURE TEACHERS OF AMERICA

The purpose of the James C. Dunn chapter of the Future Teachers of America is to interest students in the teaching profession and to encourage students to further their education.

Officers of the club attended the Western District F.T.A. conference at Greensburg in November. Willard White acted as chairman of one of these discussion groups, and Anne Swartz was a

recorder and summarized the discussion during the final session of the conference. All the members enjoyed a field trip to Carnegie Tech, where they saw *The Twelfth Night*. The year was highlighted by Student-Teacher Day when members of the club taught actual classes for various faculty members. Miss Cowden is the sponsor of F.T.A.

FUTURE NURSES OF AMERICA

The purpose of the Future Nurses Club is to interest students in nursing as a career, or in one of the allied professions such as medical secretary, physco-therapy, or dental assistant.

The Future Nurses had a busy year: visiting hospitals, selling pennants, making favors for the patients at Woodville, and having nurses come to give talks to the girls.

FUTURE HOMEMAKERS OF AMERICA

Row 1: Lorraine Allen, Claire Lepro, Ruth Ann Little, Frances Zombeck, Ann Lamb, Florence Stewart, Doris Antill, Carole Castner, Dorothy Harris. Row 2: Nila

Greene, Shirley Liggitt, Lana Ringle, Annie Jemison, Carol Cook, Constance Curtis, Frances Jemison, Joyce Gilbert, Patricia Sappie, Sandra Crowe, Sandra Hoffman.

The F. H. A., which is affiliated with a nationwide organization, is composed of Sophomore, Junior, and Senior girls who are interested in preparing themselves to be capable homemakers.

The girls worked hard at making posters and

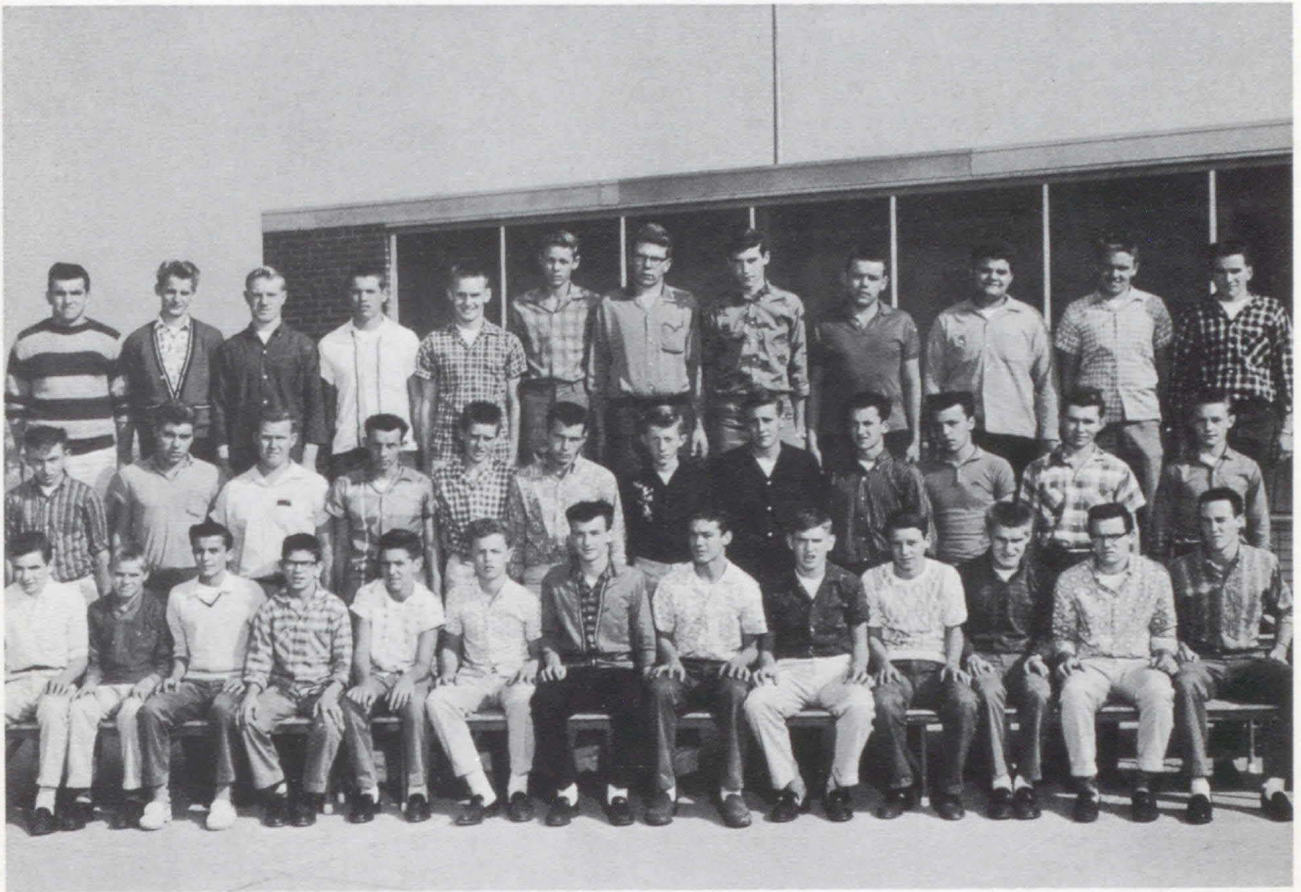

collecting Christmas cards for the service projects. The money making projects were the dance and Easter egg sale, which were both very successful.

The Mother and Daughter Banquet was held to round out the very active program.

There are two degrees a Future Farmer may earn here on the local level. They are: Greenhand Degree and the Chapter Farmer Degree.

A boy is eligible for the Greenhand Degree when he has completed plans for a satisfactory farming program. He must have successfully completed one year of vocational agriculture to be qualified for the Chapter Farmer Degree.

Motto: El que sabe dos lenguas vale lo que pesa.

La Liga Espanola was organized to promote the learning of the culture and customs of Spanish-speaking countries. This was a successful year for the club, as everyone enjoyed himself performing at the half-time of the Trinity game, performing before the students during Pan-American Week,

April 14, going to the Spanish Club party, and the Carnegie Music Hall to see Jose Greco and his Revue on April 5. All this was made possible because of the hard work of the members during the money-raising campaign. Meetings were held in the library every second and fourth Thursday with Jane Masquelier, President, presiding.

lin, Marilou Johnston, Hedy Ware, Joyce Davis.

The Reading Club of Fort Cherry invites to their ranks students in grades ten through twelve who enjoy reading.

The purpose of the club is to stimulate those who enjoy reading to discuss and share their reading experiences with other members so that a

greater understanding can be the result.

The club's true name is Bibliophile which means admirer of books.

The novels *Exodus* and *Gone With the Wind* were two of the books which were discussed this year.

Officers: Donna Masquelier, Secretary; Verna McGarvey, Treasurer; Constance Pletincks, Vice-President; Deborah Rogers, President; Mr. Anestis, Sponsor.

DEBATE CLUB

Row 1: Arlene Thomas, Laura Lee White, Sheila Dips, Anne Swartz, Dona Rettinger, Ann Lamb. Row 2: Elizabeth Meade, Jeanne Wade, Bonnie Herriott, Kit Thomassy, Joan Beckert, Lois Spiers. Row 3: Judith Wagner, Frank Kencec, James Hamilton, Allen Albert, Anthony Malesky, Marjorie Beaumariage.

During the year the debate team journeyed to the Twenty-third Annual High School Clinic-Tournament held at the University of Pittsburgh.

The debaters held an assembly program in March for the junior and senior high school. A record hop was co-sponsored with the Bibliophile

Club, as a means of raising funds to purchase debate materials.

To the outstanding members of the club, pins bearing the club's emblem were presented at the annual Awards Assembly held in May.

Officers: Mr. Marks, Miss Rocher, Co-Sponsors; Allen Albert, Recorder; Anne Swartz, Secretary-Treasurer; Ann Lamb, Vice President; Elizabeth Meade, President.

The Business Club is composed of girls who take the commercial course. Activities consist of doing projects of interest to those entering the secretarial field and offer a better understanding of the business world. During the club period, reports are given pertaining to business, and skits are given, depicting a typical business office.

Officers: Winifred Finley, Secretary; Joyce Peresutti, President; Mrs. Smiley, Sponsor; Karen Cook, Vice-President; Mr. Carson, Sponsor.

Programs this year include the right and wrong way to have an interview, a movie on the use of the telephone, and the main project is a field trip to one of the Pittsburgh offices.

SCIENCE CLUB

Row 1: Dennis Franklin, Robert Lemon, Elizabeth Meade, Anne Swartz, Deborah Rogers, Kenneth Kahlbaugh, Rudy Pleskovich. Row 2: John Fellner, Edwin Ringle, Duane Galloway, Paul Clark, Richard Mumper, Jon Anderson, Daniel Green, Vincent Phillips.

The purpose of the Science Club is to stimulate an interest in the various fields of science and to delve deeper into some of the problems and questions which arise in our discussions of science.

The Science Club also wishes to create an interest in scientific vocations and hobbies that will assist them in meeting the challenges of modern society.

This is being done by acquainting the student with scientific apparatus, materials, and methods

of performing experiments other than those used in class. The members have made microscopic slides; have done work with qualitative analysis; and have dissected a mammal.

A record dance was held to provide funds that enable the club to acquire equipment with which to work.

A visit to the Shippingsport Atomic Plant climaxed a successful year for this organization.

Officers: Deborah Rogers, Secretary-Treasurer; Mr. Blockowicz, Mr. Gunter, Co-Sponsors; Paul Clark, President.

STAGE MANAGEMENT AND PROJECTION

Row 1: Richard Kargle, Robert Kerr, William Kress, Joseph Hlavay, John DeVitis, Reggie Crowley, James Ringer.
Row 2: Charles Menz, Bernard Babeaux, John Stankowski, Paul Miller, Raymond Baroni, David Defibaugh, David Cowden, Russell Brockmyer, Frank Frizzie.

The Stage Management Club has the job of making all the programs in the auditorium as enjoyable as possible. Strictly speaking, Stage Management is not a club since it has neither officers nor social activities. The club is composed of Senior High boys who are willing to give up their free time just to work. Whenever you see

someone at lunch with a paint-spattered face, or carrying furniture from the Teachers' Room down the hall, you'll know the Stage Management boys are on the job.

This club has also taken over the Projection Club so Mr. Horner is in charge of both this year.

RADIO CLUB

Row 1: James Boocks, Vincent Mountain, Charles Myers, Stanley Meriage, Edward Gilbert, William Kr ss. Row 2: Donald Jacobs, Anthony Malesky, Keith Pratt, Richard Kargle, Gary Mazzocco.

The main purpose of the Radio Club is to better our school by providing service for the different electrical equipment in the school. The club also has charge of musical equipment used at the record dances.

Officers: James Boocks, Secretary; Gary Mazzocco, President; Mr. Bonfadini, Sponsor; Stanley Meriage, Treasurer.

The main purpose of the Pep Club has been to raise the spirit and morale of the crowds at all sports events. During club time, the cheerleaders instructed groups of girls in the learning of all cheers. These girls, later on in the year, tried out for the position of cheerleader on the cheering squad for next year.

Our fund raising projects for the club have

Officers: Karen Cook, Recording Secretary; Molly Brown, Vice-President; Marion Thomassy, Corresponding Secretary; Joyce Peresutti, President.

consisted of selling decals and sweatshirts and sponsoring a dance in April. The proceeds from these events contributed to the purchase of new cheerleading uniforms.

Miss Rosalie Dami was our new sponsor and we of the Pep Club feel she did a fine job this year.

VARSITY CLUB

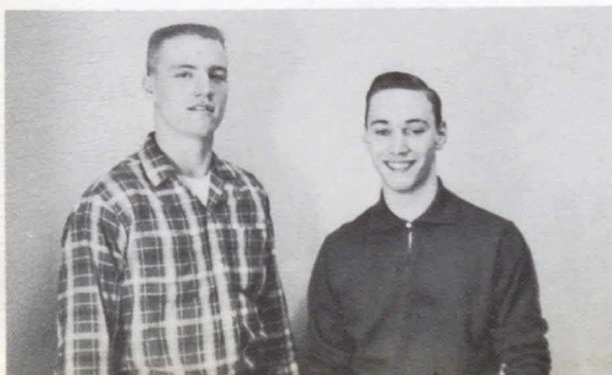

Row 1: Robert Lemon, Louis Rocher, Vincent Phillips, Daniel Green, Robert Struth, Donald Jacobs, Mario Zanolli, David Cowden, Joseph Hlavay, Joseph Baier, Robert Miltenberger, David Randour, John Haught. The Varsity Club is composed of all the lettermen from football, cross country, basketball, wrestling, track, and golf. Its main purpose is to give boys a chance to earn varsity letters and jackets. Some of its main activities were the Var-

sity-Faculty basketball game and the selling of programs at football games, at wrestling matches, and at basketball games. The club is sponsored by Mr. Garry, Mr. Hepe, Mr. Gispanski, Mr. Lauff, Mr. Sprowls, Mr. Haba.

Officers: Martin Schottenheimer, Secretary-Treasurer; Joseph Baier, President.

TRI-HI-Y CLUB

The purpose of the Tri-Hi-Y Club is to create, maintain, and extend throughout the home, school, and community, high standards of Christian character.

During the year our "lost and found" department was very successful in helping students claim their lost possessions.

Officers: Karen Mullen, Treasurer; Miss Cowden, Sponsor; Molly Brown, President.

The women residing at the Washington County Home for the Aged were surprised when we visited them before Christmas and presented them with favors and Christmas books. Our Bundle Day in March contributed much to the needy children of the world. Club members enjoyed the discussions found in our *Teen-Talk* books and occasionally had the pleasure of listening to a speaker.

HISTORY CLUB

Row 1: Donna Masquelier, Carolyn Hepe, Deborah Rogers, Hedy Ware, Karen Miller, Faye Davidson. *Row 2:* Sharon Baronio, Margie Brown, Donna Gilbert, Susan Carpenter, Delilah Tornabene, Elizabeth Meade. *Row 3:* Vincent Phillips, Paul Machak, Robert Miltenberger, James Turk, Danny Green, Robert Kerr.

The History Club was organized for the purpose of bringing together those students who have a special interest in history and who want to pursue the subject in greater detail than is possible in class. Events of the past have a fascination for these people, and they are eager to use their time to learn more about them.

Officers: Donna Gilbert, Treasurer; Paul Machak, President; Mr. Zollars, Sponsor; James Turk, Vice-President.

Since 1961 is the Centennial of the beginning of the Civil War, it seemed appropriate to the members of the club to undertake a close study of the war, its causes, battles, leaders, and historical consequences.

To heighten the interest, the group has been divided into Confederate and Union sympathizers and they plan to gather information to support their points of view. They are confident that there will be some interesting debates and discussions.

We've got rhythm

The purpose of a Majorette is not only to direct and guide, but also to add color and dignity to our Marching Band. This purpose is achieved as she skillfully executes the intricate Baton Twirls and Marching Routines at all of her public appearances.

Regardless of her status in the Majorette Corps, whether she is Head Majorette, Regular Majorette, or Alternate Majorette, she must possess alertness, tactfulness, and firmness. She must exhibit a well-groomed appearance. She must understand music. She must show a sense of creativeness and resourcefulness. She must be dependable, cooperative, and capable of rendering decision in an intelligent manner. She must have good scholastic standing. She must display a pleasing personality. Being a Majorette is indeed a privilege and an honor.

When January 26 and matinee time rolled around, the junior class players found themselves two weeks behind schedule, without a much needed sound effects record, with a case of nervous jitters, and with a hopelessly harassed director. None the less, they collected themselves and each sallied forth that afternoon and later on the evening of January 27 to "strut his stuff upon the stage." The sound effect record, we presume, is still uncut, the jitters disappeared to be replaced with ecstatic, backstage whispers, "gosh, this is fun," and the director was revived long enough to be told that all was well.

The class of 1961 presented for its class play the comedy-fantasy by Bettye Knapp, *Down to Earth*. This play was a terrestrial one, yes, but it had definite celestial overtones.

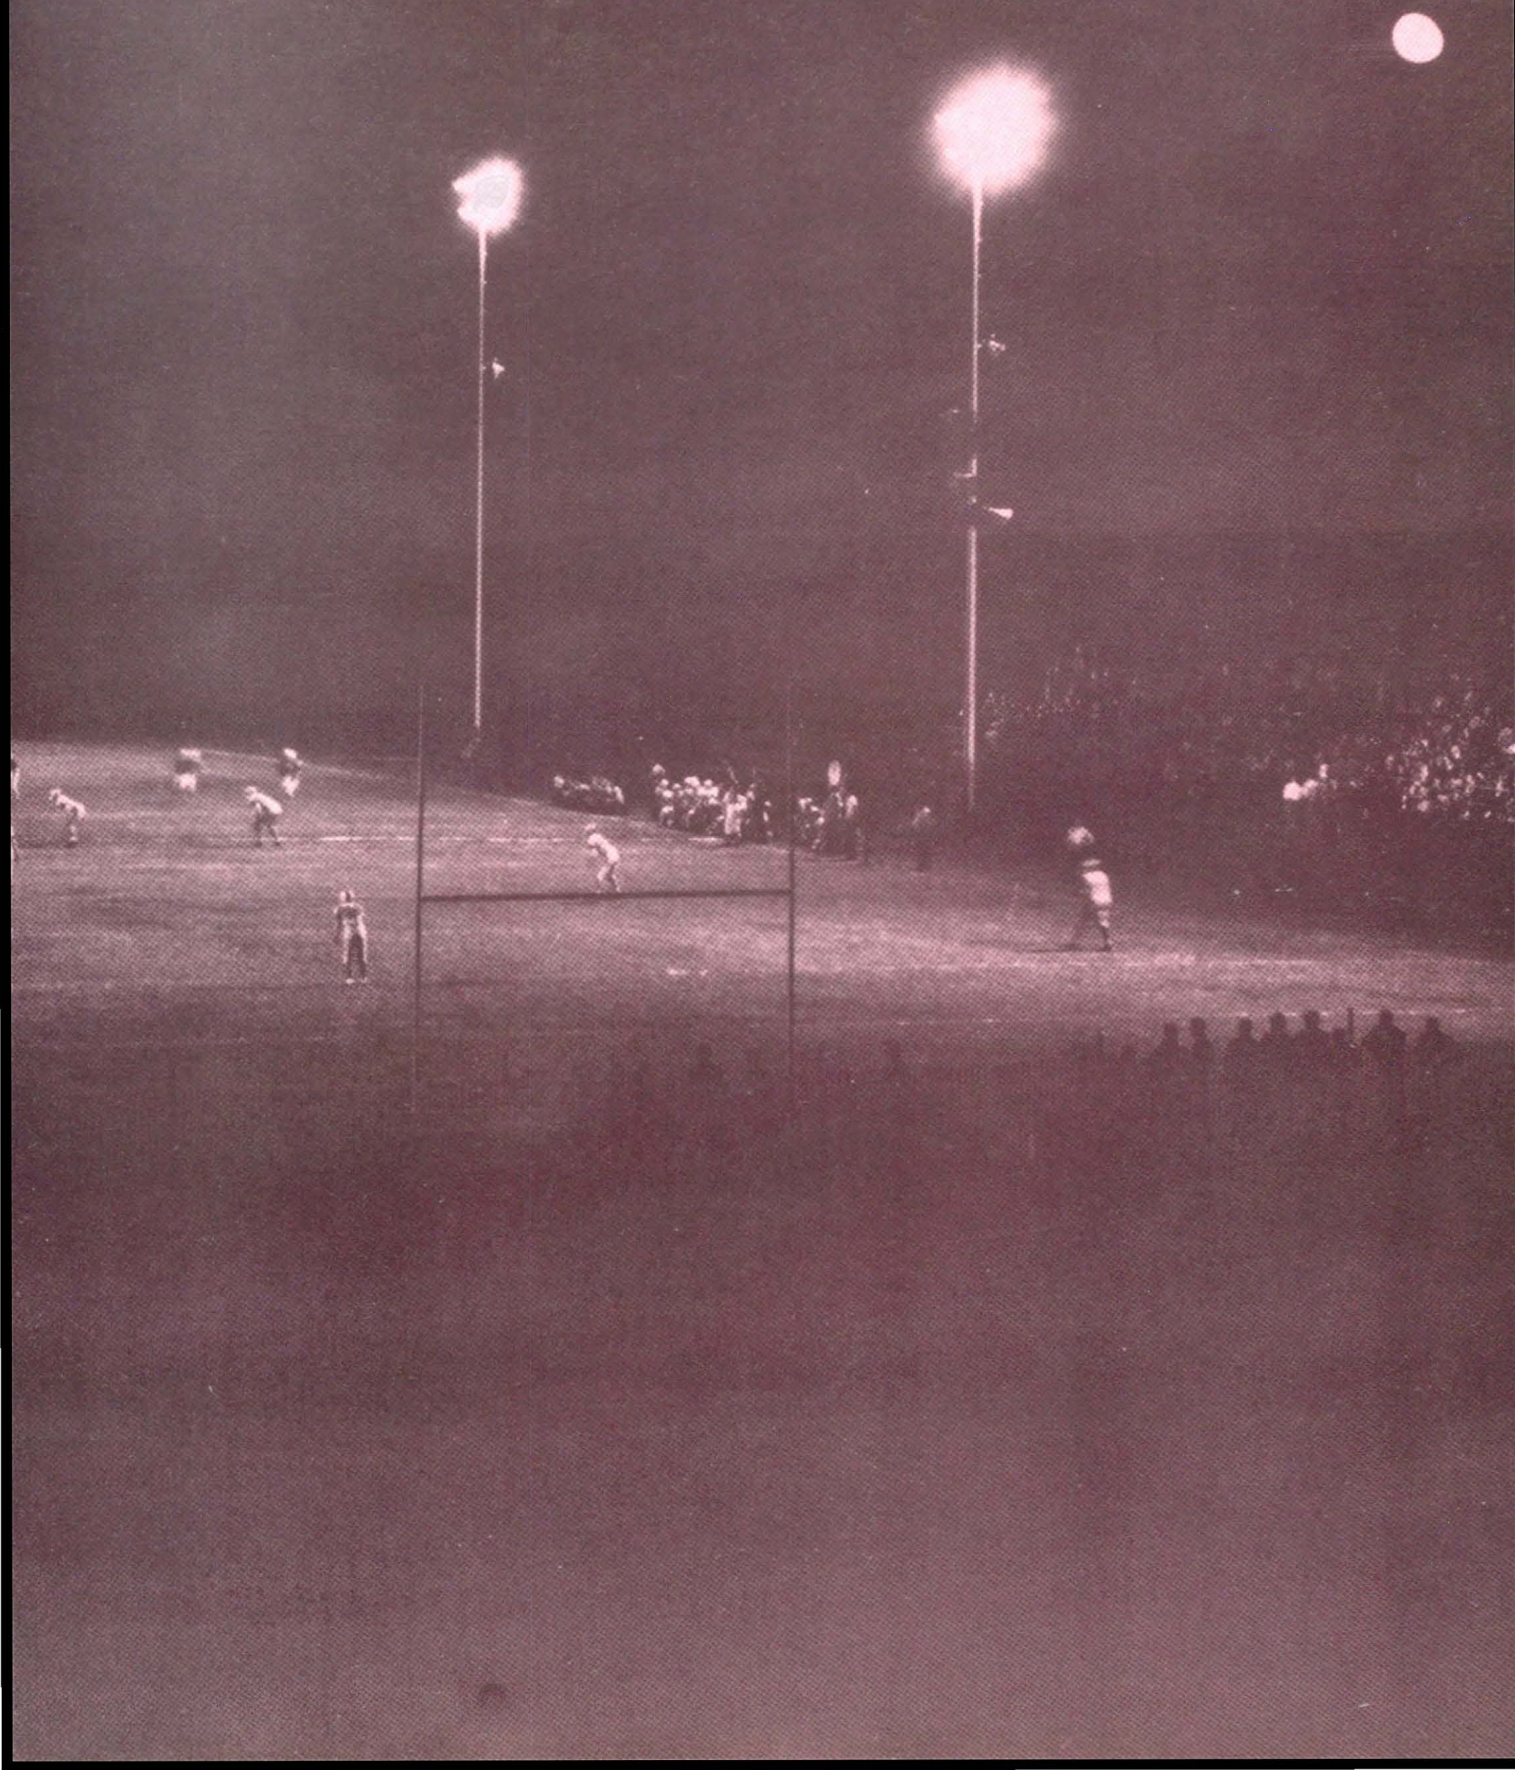

The plot involved two angels—Agnes and Wilfred—who descend to earth to pick up two mortals, one being Augusta Applegate, who has amassed vast wealth and doesn't intend to leave it, and Herman Howell, who has nothing to live for except his cat and his hyacinths. The work of the angels, however, is retarded because they have been accompanied by an apprentice angel, Pilone, who besides being mischievous has earned only one wing. Augusta's two nieces and their families are interested in having her give them her money. Orpha Teel schemes to marry off her daughter Ruthie to a wealthy young man, Robert Hanley; Millie Broomsley has designs on the money both for her inventor husband, Baxter, and her daughter, June and fiancée, Richard White. Pilone, discovering that he possesses the special power of causing people to fall in love, complicates the plot by not only causing the wrong people to fall in love with each other, but also falling in love himself with Augusta's oft-jilted maid, Diana Clump.

This year the football team had a successful season, winning seven games while losing only two. The two defeats, which were both by close margins, came at the hands of Chartiers-Houston and Waynesburg. Throughout most of the season, the team was without the services of Jim Clemens and Bob Struth, who suffered injuries. This year also marked the first use of the new football field which has a seating capacity of 900 people. During the season, the Rangers were undefeated on the home grounds, winning five without a defeat.

MOST VALUABLE PLAYER AWARDS

FOOTBALL

Martin Schottenheimer was the selection of the football lettermen as the "Most Valuable Player" in football at Fort Cherry High School. The qualities of character, scholarship, and leadership as well as athletic ability were taken into consideration in making this selection. The lettermen feel that they are continuing the high standard of attainment established last year.

"Schotty" was chosen on the Southwest Conference All Star team, the Chartiers Valley All Star team, the W.P.I.A.L. third team, and received honorable mention on the All State Class A team. In addition to playing football and basketball and studying, Schotty is president of the Varsity Club and is a member of the National Honor Society.

Martin Schottenheimer

Terry Holder

BASKETBALL

Fort Cherry lettermen in basketball chose Terry Holder as the "Most Valuable Player" in that sport. In making the choice, ability in basketball was balanced with consideration of scholarship, leadership, and character.

Terry began his basketball career as a freshman on the Junior Varsity and worked up to the position of guard on the Section 4 champion team. Terry is the second worthy representative of Fort Cherry basketball teams to win this award. When he is not studying or practicing basketball, he is active in the Varsity Club and the National Honor Society.

Additional honors have come to Terry as a member of Fort Cherry's Championship Basketball Team. He has won a place on:

- All Section 15 Team
- All W.P.I.A.L. Tourney Team
- Second Team All Class, regardless of classification
- All-State Class B First Team

OUR CHEERLEADERS

Cheerleaders in action at a pep meeting.

In charge of the cheering section at all athletic games and pep meetings is a squad of seven attractive, energetic, and co-operative cheerleaders. They express good citizenship by following the team whether near or far, keeping the fans in spirit and cheering our boys on, whether the going is easy or tough. This year six of the girls are seniors.

Miss Rosalie Dami was the sponsor of the cheerleaders this year. Throughout the seasons of sports, she coached the girls at practice by teaching new cheers and instructing them in better techniques of doing cheers.

The Daughters of the American Revolution Good Citizenship Award will be presented to Mary Frances Babeaux by a member of the Canonsburg Chapter, D.A.R. at Fort Cherry's Award Assembly in May. To be chosen by classmates and sponsors as the recipient of this award is a very high honor.

The D.A.R. specifies four basic qualities which are to be considered in selecting candidates for this award. Dependability, including truthfulness, loyalty, and punctuality, is of prime importance. The second is Service, meaning cooperation, courtesy, and consideration of others. Personality, self-control, and the ability to assume responsibility make up the quality of Leadership. The last characteristic is Patriotism, which is an unselfish interest in the home, school, community, and nation.

Our very best wishes go with Dolly as she takes part in the state-wide contest on "Our National Government," open to all local winners of the "Good-Citizenship" Award.

Joseph "Beady" Baier was named a Semifinalist in the sixth annual National Merit Scholarship Program. He was one of approximately 10,000 students, who constitute less than one per cent of the seniors in each state and represent the most able of those who will complete their high school work in 1961. Finalists in the program are selected from the test scores of the College Entrance Examination Board taken December 3, 1960.

He has also been selected as a candidate for the 1961 National Honor Society Scholarship through high scores achieved on the Preliminary Scholastic Aptitude Test given on October 18, 1960.

Words and Music
Harvey Lederstein

Hail to thee our Al - ma Ma - ter, tower - ing
high a - bove the land. In our hearts your name we
hon - or, in our mem - 'ry you will stand. We
give to you our de - vo - tion, for
truth and for wis - dom taught. And for
thee, Fort Cher - ry High School we sing your
prai - ses high to the sky.

The musical score is written on a single staff in treble clef with a key signature of one flat (Bb) and a common time signature (C). The melody is simple and hymn-like, with lyrics printed below the notes. The piece concludes with a double bar line.
