How about a nice Hawaiian *punt*?

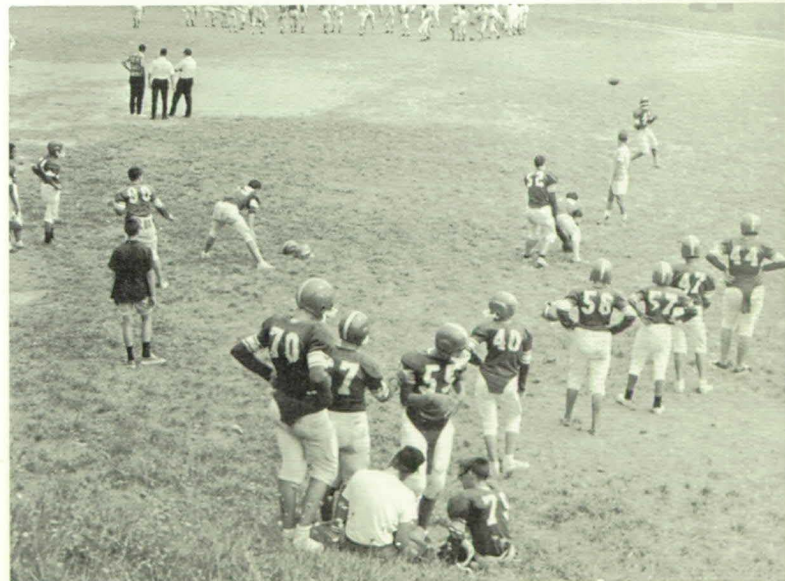

Cheerleaders combine imagination and school spirit.

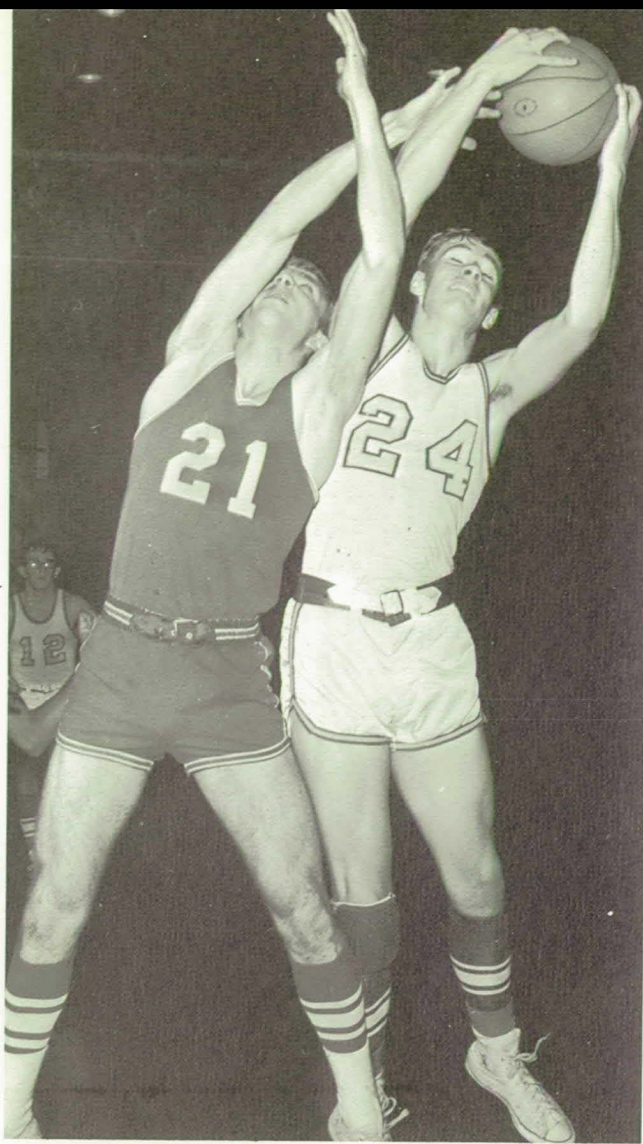

Hang on, Bill!

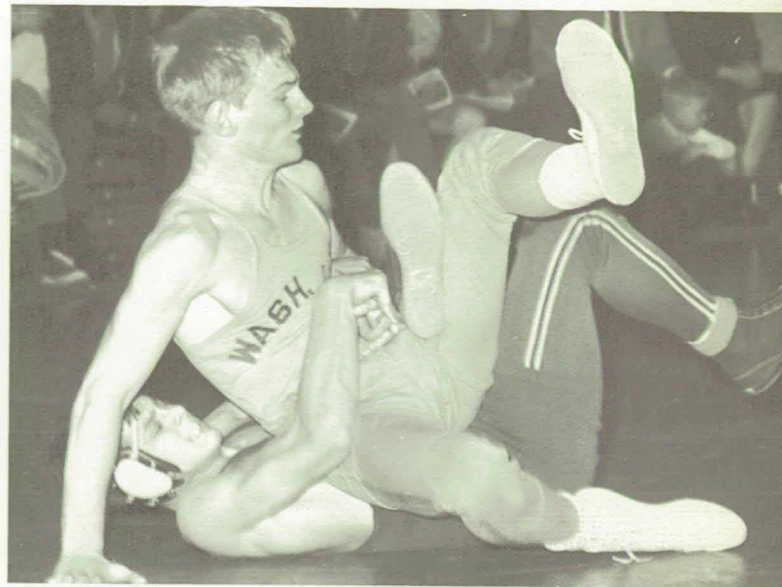

Casey jumps high for F.C.?

Pre-season practice.

CRASH!

Well, we can't *always* be on top!

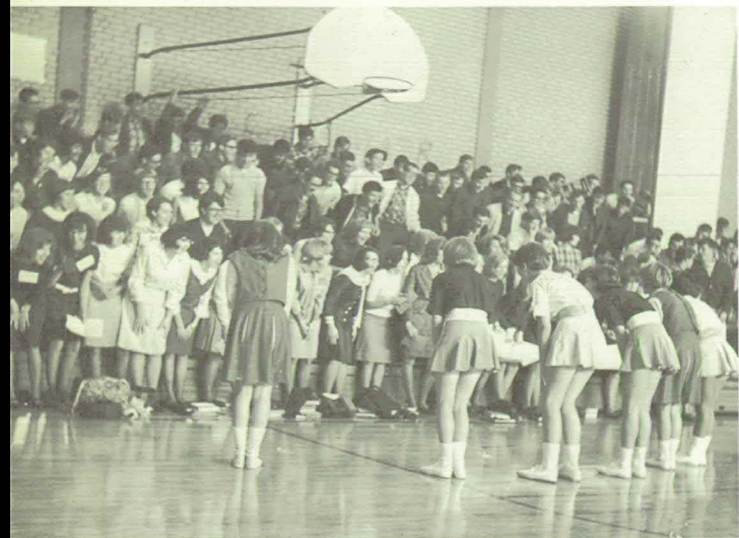

Just punching time, Mr. Allison?

Up and at 'em, boys!

... and now we are seniors.

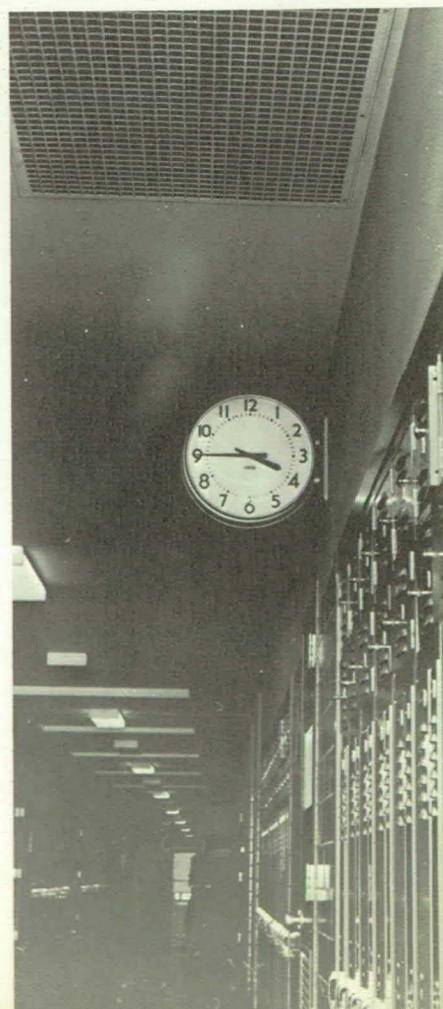

SENIORS, SENIORS!!

Looks good, huh Butch?

Administration

Mr. Jack N. Schwartz
Supervising Principal

Each class that graduates from Fort Cherry High School has gained more knowledge than did the preceding one. Our curriculum is constantly changing so that each student can better adjust to his environment.

Each member of our faculty and administration hopes for you, the Class of 1967, success in whatever endeavor you may undertake. Graduation from high school is your first great step in the direction of successful living.

Your commencement will be one of the many highlights in your lifetime. Make each highlight in your life as successful as you have made your graduation from high school. We of the faculty and administration commend you for your efforts and challenge you to strive with even more perseverance on problems that you may encounter in your adult life.

The Teachers

*Those who instruct our youth today are forming our tomorrows
In their learned hands they hold our happiness and sorrows.
What they instill in youthful minds can make the future bright
Or fill the coming years with grief instead of real delight.
Teachers are special people and they deserve respect.
They are those of righteousness and super intellect.
Teaching is a profession, truly second to none.
How they weave each word and deed helps knowledge to be spun.
Their field is not an easy one,
But the duty of the teachers is to help mankind endure.*

By Ben Burroughs

John Somsky was chosen this year as the recipient of the Dr. Charles M. Hughey Award. It was presented to John for his athletic ability, character, and high scholastic record. For the past four years, John has participated in Tennis, Basketball, and Football.

In addition to sports, John is active in Science Club, French Club, Reading Club, Future Teachers Club, and Varsity Club. After graduation, he plans to attend Bethany College.

Section Champs

This year Fort Cherry won the Section 11 title in WPIAL Class B Basketball. After a rough early season, Coach Sprowls led our boys to victory over the other fine teams in the section.

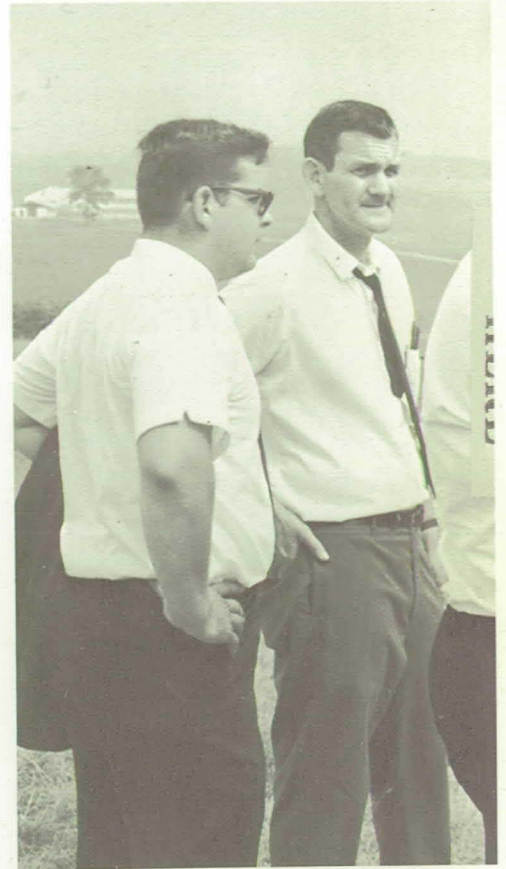

Congratulations to a great team and an excellent coach for making this basketball season such a success.

To sports fans the cool air and fallen leaves announce the start of another football season, but the lively routines performed by the majorettes were prepared during practices from early summer until the beginning of the season.

The Senior Show, which is the climax of the season, brings mixed emotions for the senior majorettes. This year's theme was the *Sound of Music*. The younger members of the corps showed their appreciation by presenting corsages to the senior members of the corps. The memory that lingers, however, is the look backward at the empty field. In that one moment there comes a realization that every minute of work has been worth twice that amount in satisfaction.

Although football season provides the main part of the majorette's year, there are also concerts and parades. A highlight this year was the Thanksgiving Day Parade in Pittsburgh.

Being a majorette takes work, but it is not without its rewards. The satisfaction gained from doing a good job and the training in leadership and cooperation are compensation for the long hours of practice.

Wonderland by Night

The Junior Class proudly presented on May 27, 1966, their Prom entitled *Wonderland By Night*.

On a warm May evening, couples passed through a delicately flowered archway into the Fort Cherry High School gymnasium. In the gymnasium couples danced to the soft music provided by Doug Cahill and his band, while others relaxed and enjoyed the beautiful decorations surrounding them.

A Post Prom followed in the school cafeteria. Everyone enjoyed the delicious food and took advantage of the time to chat. After the entertainment that followed in the auditorium, couples departed with fond memories and tired feet.

YOU CAN'T TAKE IT WITH YOU

How to enjoy life with just enough money to take it easy; how to select hobbies; how to evade the income tax — all demonstrated by the Vanderhof-Sycamores who live in a sphere of heartwarming fun. Amiable, philosophical Grandpa Vanderhof collects stamps and live snakes. His daughter, Penny, is a painter turned playwright because a guest forgot a typewriter. Her husband, Paul, fabricates dangerous fireworks in the cellar with Mr. De Pinna, who came to deliver ice eight years ago and was invited to stay. Essie, Paul and Penny's daughter, is devoted to toe dancing and candy-making, while Ed, her husband, is torn between the xylophone and the printing press. The second daughter, Alice, a Sycamore in spirit though not in extravagance, provides the conflict when she and Tony Kirby fall in love. Mr. Kirby senior, a business tycoon plagued by indigestion, and his socialite spouse, are as unfulfilled and frustrated as millionaires can possibly be. The painful meeting of the two families is aggravated by the consecutive intervention of a wrestling Russian, and inebriated actress, and a raid squad from the FBI. Since this is a comedy, Mr. Kirby can eventually be converted and thus guarantee a happy ending.

The *Pinnacle* of 1966-67 is the project of interested seniors, juniors, and sophomores who wish to present the student body with more and different material in their school newspaper. They were assisted by a new sponsor, Mr. T. F. Christopher, who had experience working on a college newspaper. Finances for the paper were obtained through the purchasing of ads by local businesses and by selling of subscriptions to the student body and faculty.

The Student Council has as its main purpose the promotion of harmonious relations throughout the entire school. It consists of one representative from each senior high homeroom and the student body president, William Cooper.

The Fort Cherry High School Student Council, which is a member of the Pennsylvania Association of Student Councils and the National Association of Student Councils, has many projects. Money for these projects is raised through the sale of sweat shirts, the annual boxing glove basketball game, and an amateur program.

One of the Council's projects is the recognition of academic achievement through the purchase of pins for members of the National Honor Society.

The sponsors are Mr. Ralph E. Loughman, Counselor, and Mr. Robert J. Loughry, Assistant Principal.

The purpose of the National Honor Society is to encourage students in scholarship, in character, in leadership, and in service to the school. Students earn this high honor by maintaining at least a B average or better and earning superior ratings in these areas. Any member who drops below these standards is automatically eliminated from the organization.

Probationary members who are chosen from tenth grade students can become active members in their junior and senior years. All other sophomores can become members if they can meet the requirements.

Each year an induction ceremony is held for all new members. Speeches are given by senior officers on scholarship, leadership, character, and service which are the four qualities required of new members. The next section of the program is the presentation of membership cards to new members and pins to second year members.

Being a member of this organization is an honor desired by all, but is one that is given only to those few students who can fulfill these requirements.

F.T.A.

The James C. Dunn chapter of the Western Region P.F.T.A. is one of the largest clubs at Fort Cherry. Its membership includes all those students who have an interest in the field of education and wish to further their knowledge of teaching. This is accomplished through many cultural, social, and educational activities of the club which include: providing ushers for Open House and Teachers Institute; sponsoring a Student-Teacher Day and providing student teachers when regular teachers must leave their classes for short periods; holding a Teacher Appreciation Day and sending out Christmas cards to retired teachers; and attending W.R.P.F.T.A. conferences. In addition to these activities, the club holds a banquet, goes on a field trip, and holds successful dances.

Although not every member chooses teaching as his career, it is hoped that membership in the club will provide valuable experience for any college bound student, regardless of his final career choice.

The Future Nurses Club was established for the purpose of informing and bringing together all high school young people who are interested in a nursing career or any of its related fields.

Any sophomore, junior, or senior who maintains an above average grade in all subjects, including the required courses for acceptance by a nursing school, may obtain membership in the club.

The Future Nurses are active throughout the year with tours to surrounding hospitals and medical centers, informative discussions with speakers, and educational films dealing with medical careers. Sponsoring the tuberculosis fund drive in school and preparing favors for the Washington County Women's Home during the Christmas season are additional activities which require participation of all club members. Several of the members spend their free time assisting the school nurse.

Through these projects, the true value of the nursing profession can be found.

The Fort Cherry chapter of the Future Homemakers of America enables its members to receive additional experience in planning and performing the various activities concerned with homemaking and also informs the girls of better methods of self-grooming.

A style show in which the girls model clothing they have made is one of the special activities of the club. Another activity is the four week nursery school which is held every year. Preschool children attend the nursery school and this gives the girls an opportunity to work with small children. A Mother and Daughter Banquet and a field trip are other annual events held during the club's year.

The Future Farmers of America, or F.F.A. as it is commonly known, is an intra-curricular activity having its origin in a definite part of the school curriculum - vocational agriculture. The primary aim of the F.F.A. is the development of agricultural leadership, cooperation, and citizenship.

Members learn through active participation how to conduct and take part in a public meeting; to speak in public; to buy and sell cooperatively; and to assume civic responsibility.

Highlights of the H. G. Parkinson F.F.A. chapter at Fort Cherry for 1966-67 include: area leadership training, demonstration team, seed sales, public speaking and parliamentary procedure team, area activities day, parent-son banquet, and state F.F.A. week at Penn State.

Fort Cherry's Reading Club, although one of its smaller organizations, is one of its most active. Its membership includes students from grades ten, eleven, and twelve who maintain a 2.5 average and have a genuine interest in reading.

The Night of Camp David by Fletcher Knebel and *The Great Gatsby* by F. Scott Fitzgerald are the two books being read and discussed by the club members this year. The close-away book rack provided by the club is taken to junior high and senior high homerooms during 4A periods and is open for all in the mornings. A new edition of the student telephone directory was published for the use of the student body. The club climaxed its year by sponsoring a field trip which is an event that all students look forward to each year.

The Business Club

The Business Club of Fort Cherry High School was organized chiefly for the purpose of promoting interest in the business world and in the study of business subjects. Membership consists of students in the eleventh and twelfth grades who are taking two or more commercial subjects.

Meetings are held once a month and during these meetings movies, skits, and talks are given concerning actual office situations.

This year the club will again participate in the Five-Year Survey of Graduates conducted by the Guidance Office by helping with some of the clerical work involved. Also, the club members look forward to the annual field trip to Pittsburgh where they visit business offices and a Business School.

Le Club Francais, better known as the French Club, was established for the purpose of promoting the interest of the study of the French people, culture, and language. Its members include both present and former French students from the ninth through twelfth grade.

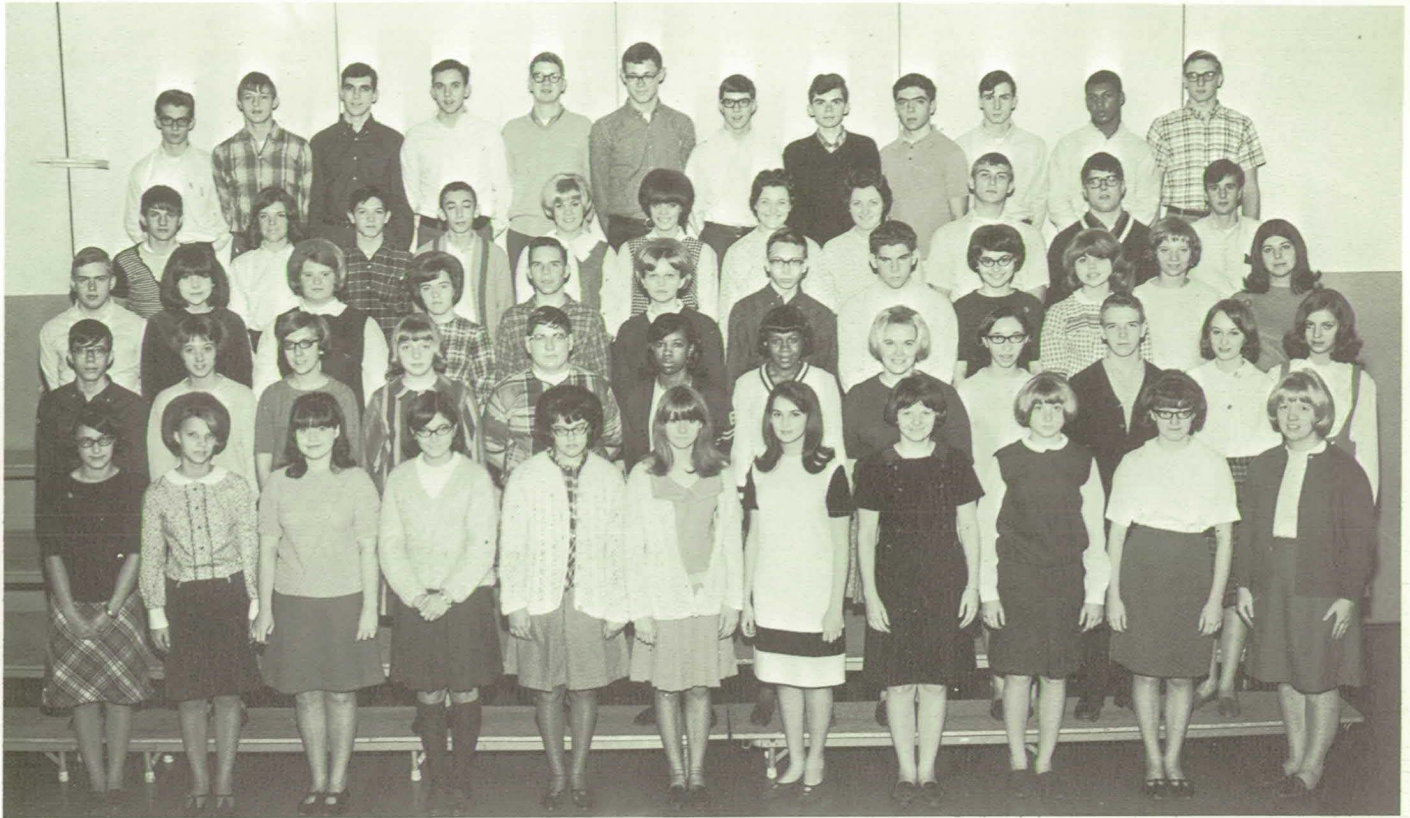

Throughout the year, the French Club carries on a number of activities. A dance is sponsored for students in grades nine through twelve and a field trip is planned for all club members.

The annual Mardi Gras is the main event of the year for French Club members. Those who attend are entertained by various acts presented by the French classes, and the lavish array of food runs the gamut from soup to French bread. The evening is highlighted by the presentation of pins to second year members, and the selection of the Mardi Gras King and Queen. A procession is held, and prizes are awarded for the best costumes. Dancing fills out the remainder of the evening in the true spirit of "Vive La France."

The purpose of the Spanish Club is to better acquaint the students with the Latin-American and Hispanic people, cultures, and customs. All students studying Spanish are automatically members of the club.

The club has many activities: tertulias or discussion groups, talks with both American and Latin-American exchange students, and a field trip to see the Mexican Ballet Folklorico. The highlight of the club's year is the Spanish Fiesta. At this gala occasion, entertainment is provided by all Spanish classes and is carried out in the true Spanish spirit. The highlight of the Fiesta is the initiation of the new club members.

THESPIANS

The Fort Cherry club devoted to speech and dramatics is the Thespian Club. Organized as a class, this club meets on alternate Fridays of the month. Students act as moderators and critics. Opportunity is given to the members to gain experience in pantomime, role-playing, and acting. Practice of parliamentary procedure is another activity of the club. The highlight of the club's year is the annual production of the Christmas play.

This year's Thespians consist of twenty members who in class are learning the fundamental skills of spoken English.

The Science Club consists of all senior high students interested in broadening their knowledge of science. The club gives these students an opportunity to view science in its role in the world around us, and to help prepare those interested for a life of science or nursing.

The club provides speakers, film-strips, and a field trip for its members. The field trip is usually to a local company or corporation and gives the students a chance to see science in application. The films and speakers also inform the students about the needs and opportunities for those interested in science in today's world.

The club also holds its annual Science Fair. This provides a chance for all students from grades 7-12 to compete for prizes by building various science projects and entering them in any of the classes — Physics, Chemistry, Biology, Electronics, or Math. The success of past Science Fairs displays the true interest of Fort Cherry students in the field of science.

G.A.A.

The purpose of the Fort Cherry Girls Athletic Association is to provide competitive and recreational activities in addition to what the girls have in their scheduled gym classes. For many girls who are genuinely interested and can fulfill the membership requirements, the club is a proving ground in leadership and sportsmanship. To be eligible for membership, a girl must have a "B" average in physical education.

The feature event of the school year is the annual Volleyball Game between the women faculty and the G.A.A. Seniors. As the game approaches each year, the familiar battle cry of the G.A.A. team arises — "This will be the year." Despite the girls' effort, the faculty has been victorious every year since the first game was played.

Each spring, four girls are sent as representatives to the Annual Play Day sponsored by the Women's Recreation Association at California State College. Here the girls participate in many competitive sports along with girls from other schools in Washington, Greene, and Fayette counties.

Other activities include the Birthday calendar sales, a bowling party, and the continuation of the Girls' Basketball Team, on a limited basis, and intramurals in several sports.

The G.A.A. Basketball team is one of the main activities of the Girls' Athletic Association. The team is composed of eighteen girls who are either sophomores, juniors, or seniors. Practices are held after school and on Saturday afternoons. The team plays against any school or organization who wishes to challenge it. Under the coaching of Miss White and Miss Randour the team has been successful and has made Fort Cherry proud of them.

The group of students known as "Library Assistants" is not a club organized like the majority of clubs at Fort Cherry. It is a service group which renders valuable assistance to the library and to the school during the periods individual students work and during the regular scheduled monthly meetings. Working in the school library offers the students many challenges and opportunities. The "Library Assistants," through their service to the student body and faculty, play an important role in the everyday life of the school.

Senior High boys who take courses in shop form the Industrial Arts Club.

Throughout the school year the boys perform many valuable services for different school organizations. They set up risers for the Band and Chorus Concerts and for club pictures. During assemblies and other special school functions, the boys operate the spotlights and projector and stage equipment. These boys design the scenery for the Junior and Senior plays. Another important service is the construction of numerous items needed for the Prom.

The many valuable services performed by the club are essential and greatly appreciated.

Club members pack clothes for children in Tennessee.

The purpose of the Tri-Hi-Y Club is to create, maintain, and extend throughout the school and home high standards of Christian character. This is done by the many services the club performs.

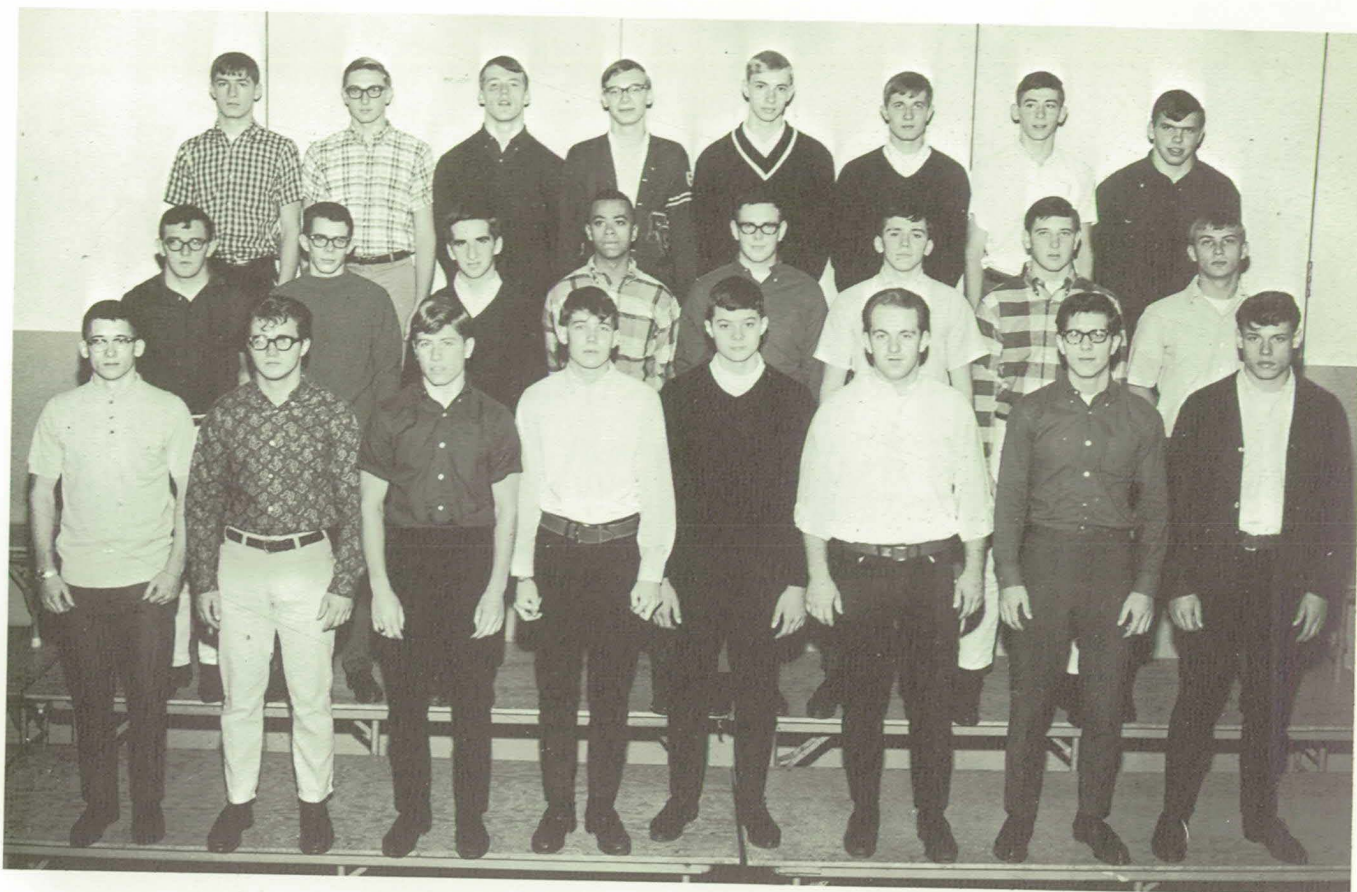

One of the main services of the club this year is the "Save the Children Federation" drive. With the help of the student body and faculty, the club has been successful in obtaining clothing donations for under-privileged children. Another service of the club is sponsoring a coat check at dances and basketball games.

The Tri-Hi-Y carries out its goals successfully under the able sponsorship of Mrs. Dyson and Mrs. Holleran.

The Varsity Club is composed of senior high boys who have earned a letter through participation in athletic contests with other schools. The method of determining a letter winner varies with each individual sport. Once a boy earns a letter in a major sport — football, basketball, or wrestling, he is eligible for a varsity jacket. Two letters must be earned in any minor sport in order to receive a jacket.

In order to earn money to purchase the necessary jackets, the club sponsors a candy sale and the Varsity-Faculty basketball game.

F.H.A. State Farm Show

Left to right: Paula Navoski, Anita Marcott, Mary Dire, Lynn Fenwick.

The Home Economics demonstration team placed third and received forty-five dollars at the State Farm Show in January.

Mary Dire, Anita Marcott, and Paula Navoski wrote the script and presented the demonstrations. Lynn Fenwick accompanied the team to Harrisburg as an alternate and assistant.

Their demonstration which was entitled "Aluminum Etched Trays" showed how trays and jewelry can be made from a flat piece of aluminum. It was one of twenty-eight demonstrations selected for presentation among those submitted by various schools throughout the state.

Congratulations girls, for a job well done!

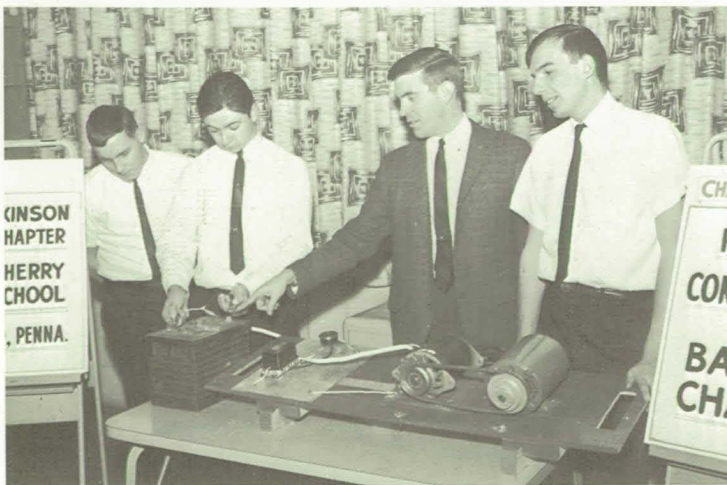

Miss Ammons and Mary Dire practice for the State Show.

F.F.A. State Farm Show

Left to right: Elliot McWreath, David Dhanse, Charles Dhayer.

Don't get your wires crossed, Dave!

The members of the Fort Cherry FFA demonstration team were David Dhanse, Charles Dhayer, and Elliott McWreath. As their demonstration topic, they selected "Construction of A Battery Charger." After selecting their topic, the team members wrote an eighteen-minute script discussing the materials required and the procedure involved in constructing a battery charger.

On December 8, 1966, the team presented their demonstration at the Southwestern Pennsylvania FFA Demonstration Contest held at Frazier High School, Perryopolis. On January 9, 1967, the team presented their demonstration at the Pennsylvania State Farm Show at Harrisburg.

The team won twenty dollars from West Penn Power Company and ten dollars from the FFA Improvement Society of Washington County.

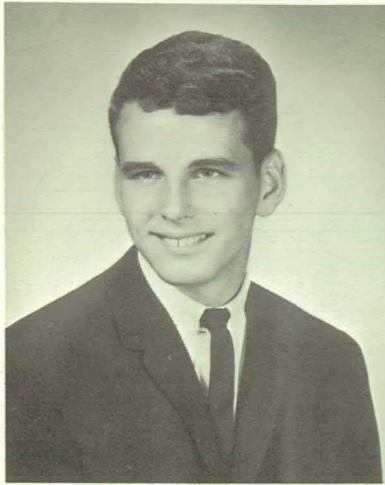

Now this is not the end.

It is not even the beginning of the end.

But it is, perhaps, the end of the beginning.

D.A.R. Award

The Senior Class of 1967 heartily congratulates Carol Kulak on being this year's recipient of the Daughters of the American Revolution Good Citizenship Award. To receive this honor, the candidate must display certain qualities, these being Leadership, Dependability, Service, and Patriotism. As our representative, Carol is eligible to take part in the state-wide contest on "Our National Government."

Other than being this year's winner, Carol has numerous other activities. An excellent academic student, Carol is a member of the National Honor Society. She is also treasurer of the Reading Club and Historian of the F.T.A.

Again we extend our best wishes to Carol on receiving this high honor.

We came in 1961, six long years ago, as small, frightened seventh graders. In coming to the Fort, it signified a beginning. We learned of the excitement of pep assemblies, the agony of defeat in games and matches, the happiness in acquiring new friends and in becoming closer to the old ones, and of the joys and sorrows in receiving an education.

As year after year passed, so did the Septembers become Junes, and now we are Seniors and the Class of '67. We have attained our goal of graduation and soon will enter upon an unfamiliar world with feelings of joy as well as apprehension.

Yet, we realize we are not at the end of our lives, but merely have reached the end of the beginning. There is much more to come. Soon we will be leaving the halls, the classrooms, and the Fort with many fond memories, looking forward with hope to what is to follow.

the end of the beginning . . .
