## THE FARMER'S GARDEN PARTY

To reate a spell of unreality, Fairies perform intricate dances, Foresters, Water Nymphs, Bo-Peeps, and Boy-Blues gambol gaily on the smooth green grass, and beautiful Flowers spring up in the Farmer's Garden.

Into this beautiful spot, come two boys who anger the Farmer by picking his flowers. Worn out by the excitement of the day, the Farmer falls asleep and dreams that the Flowers come to life, that the Queen of the May comes with all of her Court, and knights him "Lord of the May."

Much to our surprise, that dream really does come true. The Farmer does become Lord of the May, and he and the Queen of the May reign over the festivities.
